ANNUAL REGATTA 2019

All races will be started at the published time

To keep the competition on time, we will start all races at their scheduled time. By entering, crews accept responsibility for being at the start in time for their race and understand that if they're late, the race may be started without them.

REGATTA IS **NOT** DIVISIONAL

Senior Events

All senior entries will be banded according to their CRI. Crews with low CRI will be banded into 'novice' events if 2 or more entries. This applies to 8+, 4+/-, 4x+/-, 2-, 2x, 1x in Open and Women's events

Masters Events

We will run handicap races on Saturday, but no handicaps at all for Sunday. Entries will be accepted in age categories, ie MasA, MasB etc. Crews with low CRI will be banded into 'novice' events within their age category if 2 or more entries. This applies to 8+, 4+/-, 4x+/-, 2-, 2x, 1x in Open and Women's events

Junior Events

Entries for all eligible events will be accepted in all boat classes from J11 up.

Mixed Events

We welcome mixed entries for all eligible categories and boat classes.
